#NEWFIREFESTIVAL

THE PREMIER TRANSFORMATIONAL FESTIVAL IN THE CARIBBEAN

Join us for the third year of **NEW FIRE Festival** as we continue the adventure to create tomorrow's world! Immerse yourself in three days of zero-waste living, music, art, dance, food, craft, yoga, play, overnight camping, workshops and talks at Ortinola Estate in St. Joseph, Trinidad and Tobago. As an ever-evolving space for progressive cultural expression, NFF aims to inspire and ignite the creation of a new world that is socially, economically and ecologically sustainable.

The festival is a social entrepreneurship initiative of the **Trinidad and Tobago Bridge Initiative**, a registered non-profit organisation founded in 2011. Our goal is to be a catalyst for societal evolution through inclusiveness, self-expression and the creation of a progressive new way of living. We invite you to experience a better you; **Dream, Explore and Transform** at NFF 2018!

#ZEROWASTE

Never heard of zero waste living? Put simply, zero waste = living without generating refuse that the ecosystem does not naturally and easily put to good use. It also means **consuming only what you need**. When we send nothing to the landfill, we're doing it right! **Reduce** what we need, **Reuse** it as many times possible and **Recycle** whatever is left. **Composting** is the way we recycle organic refuse.

AS AN NFF GUEST,
WE ASK THAT YOU:

REDUCE

Reduce our negative impact on the environment by reducing the use of unnecessary packaging, foreign material inputs, water, energy and transportation. Ultimately we want to reduce the production of Carbon Dioxide and the rate at which we consume our limited natural assets.

#ZEROWASTE

#ZEROWASTE

AS AN NFF GUEST,
WE ASK THAT YOU:
REUSE

Collect any of the little waste produced at the festival for safe reuse ensuring that we get maximum use out of the valuable finite material resources we extract from the earth.

GORGEOUS
GLASS

AS AN NFF GUEST,
WE ASK THAT YOU:

RECYCLE

Wherever possible, seek out ways to capture all inorganic material by-product refuse to be reprocessed into new raw materials. Our dumps are full enough!

#ZEROWASTE

AS AN NFF GUEST,
WE ASK THAT YOU:

SUSTAIN

Sustain and grow our local economies and ecosystems by supporting our artisans, local business, farmers and sustainable industries. We must foster our environment now so they can support us later.

#ZEROWASTE

HEALTH AND SAFETY

Let's all do our bit to keep the peace and ensure we enjoy NFF 2018.

Don't leave anything valuable in your tent. Lock your tent when you leave it. The Scout Pop-up Shop will have locks for purchase.

If you can't take your valuables with you when you leave your tent, leave them at home. Keep your money, tickets, credit cards, and mobile phones in a secure place or with you all the time.

Do not bring large sums of cash. Only bring what you need and keep it on you at all times.

Add your name to all your property so if it is misplaced, it can easily be identified.

If you arrive by car, don't leave anything on display in your vehicle i.e. navigation systems, or mobile phones. Don't place items in your glove box or the trunk. Take everything with you or leave it at home.

Don't make yourself an easy target. Don't over-indulge and always be aware of your surroundings.

Should you notice an emergency notify the closest Member of staff immediately or report it at the Health and Safety booth.

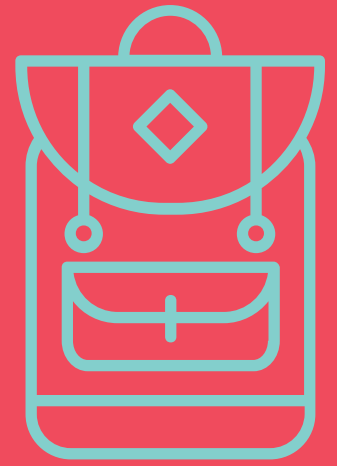

In case of an emergency, please follow all instructions given by staff and emergency response personnel.

In the event of an emergency do not leave the muster point until you are told to do so.

Do not tamper with any festival equipment.

WHAT TO BRING

NEW FIRE STRIVES TO MAKE YOUR FESTIVAL EXPERIENCE FUN AND COMFORTABLE!

Though we have the fun covered, you can help by bringing along items to make your three-day adventure as pleasurable as possible. In addition to **reusable bottles, containers** and **camping gear**, feel free to bring your **blankets, picnic baskets, beach towels, yoga mats, paint** and **colouring kits, umbrellas** and **sunblock**.

WHAT NOT TO BRING

AT NEW FIRE FESTIVAL YOUR SAFETY AND MAXIMISING SUSTAINABILITY ARE TWO OF OUR PRIMARY CONCERNS.

We've created a list of items that will be removed from bags, coolers and other containers at the gate by our security team and retained until the end of the festival.

- NO STYROFOAM CONTAINERS OR PLATES
- NO SINGLE-USE CUTLERY (PLASTIC FORKS, SPOONS, SINGLE-USE PLATES ETC.)

- NO FIRE STARTERS OR CAMPFIRE GEAR, OPEN FLAME ITEMS OR GASOLINE
